The Central and Eastern European Bible Commentary is a groundbreaking, multi-year work and the first full-Bible commentary to come out of Central and Eastern Europe. The aim of this resource is to provide a contemporary, contextually relevant, one-volume commentary written exclusively by biblical scholars from the region. It is intended to help pastors, preachers, teachers and lay leaders to interpret and apply biblical truths in the rapidly-changing contexts of their lives and faith communities.

The commentary is written in clear, accessible language and does not require its readers to have any knowledge of biblical Hebrew or Greek, and as such will appeal to Christians everywhere.
